The United States Amateur Baseball Federation (USABF) is accepting applications to play on its 2010 Team San Diego Summer Club Teams.

Grossmont Community College, Southwestern Community College and Eastlake High School will serve as the home fields for all Team San Diego Clubs. This year's coaching staff will be made up of active coaches from local Community College staffs, as well as other qualified assistances. With the coaching staff conducting the team's practice sessions and game play, players will have an excellent opportunity to experience first hand what will be expected of them as they advance to the next level of their playing careers. Playing on Team San Diego in the past has led to offers from college programs in California, Arizona, New Mexico, Colorado, Nevada, Oregon, New York, New Jersey, Hawaii and Oklahoma.

This summer Team San Diego teams are scheduled to play a minimum of 40 games, with five games scheduled for most weeks. Team San Diego is a member of the San Diego Elite Baseball League (SDEBL). The SDEBL is affiliated with Pony Baseball, the American Amateur Baseball Congress (Connie Mac), the National Amateur Baseball Federation, the United States Amateur Baseball Federation (USABF), and the Continental Amateur Baseball Federation (CABA). All of these organizations offer a berth in their national tournaments.

Each age group will have its own individual schedule that will include various events throughout the summer. Team San Diego will start its season in Palm Springs playing in the Southern California Challenge before returning to San Diego for league play. Other tournaments scheduled include the San Diego Elite Classic, the USABF Baden's Best of the Best, the USABF Fourth of July Classic, the SDEBL League Championships, and th4 USABF Senior World Series. Team San Diego Team concludes summer play by competing in various affiliated World Series events.

Team San Diego, with its highly qualified coaches, is a well organized program and places a high priority on player development and instruction. It may not be for everyone, but if you are looking for an opportunity to play a full summer of highly competitive baseball on a team coached by a nationally-known college staffs, you may want to consider this year's team.
